winter BREAK camp 2015

February 16th–20th

*Ages 5 – 12

Presented by: Pok-O-MacCready Outdoor Education Center

SCHEDULE

Camp hours are 8:00 am - 5:00 pm Monday through Friday. Lunch will be provided daily, as well as an afternoon snack, and at least one hour of free-time. Each child is responsible for bringing his or her morning snack.

MONDAY: *"Winter Fun"*
This day will be a celebration of activites that we can only do when snow is on the ground. Kids will be given lessons on how to cross country ski and will head out on a trip around our grounds and trails. You will also learn how to snowshoe and will see parts of the forest that cannot be accessed without snowshoes. * *The youngest kids will snowshoe, but not ski.*

TUESDAY: *"Walking in a Winter Woodland"*
Today offers 3 amazing winter activites. Join our knowledgable instructors and learn about the ecological wonders found near our campus in the winter. Then follow the tracks of native animals through the woods and learn a thing or two about their habits. Lastly, you will learn how to survive in the woods amidst harsh conditons during our Winter Survival activity.

WEDNESDAY: *"Back to the Past"*
Get ready to flash back in time to the early 1800's! Begin by feeding our farm animals and then make old fashioned crafts like they did in 1812. Next, visit the 1812 Homestead to take part in hearthbaking, shingle making, candle making, games, and experience what school was like in a one-room schoolhouse.

THURSDAY: *"Adirondack Excursion"*
What better way to explore the Adirondack Park than to hike in it all day long! Leave Pok-O in the morning and hike an Adirondack mountain, playing fun games along the way and eating an infamous "summit sandwich"!

FRIDAY: *"Pok-O Combo"*
It's the last day of camp. Experience indoor rock climbing at The Crux. In the afternoon, we'll come together for the Annual Pok-O-Lympics where everybody wins!

QUESTIONS?

Contact the Winter Break director, Brian DeGroat, at 518.963.7967 or email director@pmoec.org or visit www.pmoec.org

Detach above and send in to reserve your child's spot! Or register online at www.pmoec.org
